Hi Kim,

Based on our conversation today, I've adjusted your library dates.

On Monday, May 21, your students will be in the library, and Ms. Holm will assist them with research questions and locating sources.

On Tuesday, May 22, I will instruct your students on how to set up their Yolasite shells.

Of course, we'll get together before those dates, but I wanted to ensure that I had the times correct.

Thanks,

Yvette and Anissa
