Hey everyone! I hope you are having a great day.

As decided during the SIT meeting yesterday, the **2012 - 2013 SIT Team Members** will be meeting on **Thursday June 14th** to rewrite our School Improvement Plan for 2012 - 2014. We will begin at 9:00 and work until 3:00 (or sooner if we finish). If it is needed, we have a working-in lunch. I wanted to give you a heads up, so you can plan accordingly to be there.

Also, we will need Goal team leaders for our 4 Goal teams. If you are interested in leading one of these goals, please email me about your interest.

Johnston County Goal 1: We will expect each school to provide a safe, clean, caring, orderly, and positive environment that supports and is conducive to learning.

Johnston County Goal 2: We will expect students to demonstrate high levels of character, academic growth, and achievement.

Johnston County Goal 3: We will provide adequate resources to meet the needs of all stakeholders.

Johnston County Goal 4: All Johnston County leaders will encourage and promote family, community, and business involvement.

Thanks!

Kristi Hales

PS: Current Goal Team leaders, please don't forget your summaries :)
